## **SUPER ACTION 80 SERIE II**

*A rich and full tone with a direct emission*

The Bb Henri SELMER Paris Super Action 80 Serie II soprano is perfectly in line with the “historical” soprano: light, flexible, with a very round sound, while offering an improved ease of playing.

A beautifully toned instrument, rich in high harmonics, it has excellent projection power.

Its design (a one-piece tube) ensures great playing stability.
